# 2 In-kind Incentive for International projects

## National Incentive – KFCIN Location Scouting Support

Korea Film Commissions & Industry Network supports location scouting and research for directors, producers, location managers, and other related staff of international projects (feature films over 60 minutes, TV or Web series, documentaries) planning to shoot in Korea for 3 days or more. The program provides round-trip airline tickets for up to two people(economy class), accommodation for up to 6 days, a car rental and a domestic location coordinator.

## Regional Incentives

### Busan Film Commission

#### Location Scouting Support

The program provides scouting teams including foreign directors, assistant directors, producers, cinematographers/art directors, and location managers for international feature films, documentaries, and series. In-kind support for accommodation expenses (6 nights for location managers, 30 nights for directors and production designers) are provided.

#### Location in-kind incentives

The program offers the production expenditure with a minimum of 20 million KRW to maximum 40 million KRW on international feature films, TV or web series on the condition of shooting for more than 7 days in Busan.

➔ Among production expenditure, accommodation, fuel, and meals are paid directly by BFC, and filming location rental are refunded in cash.

### Jeju Contents Agency

#### Jeju Screenplay Development Support

The program assists Asian projects (feature films, TV/web series and documentaries) in development based on Jeju. Transportation, accommodation, meals expenses etc. used for development during stay in Jeju will be refunded up to 7.5 million KRW through Korean co-production companies or PS companies. Refunds also include international airfares.

### Seoul Film Commission

#### Location Scouting Support

The program assists directors or producers with projects planning to shoot in Seoul (feature films, TV series, etc.) with three days of scouting fees, including round-trip airline tickets for up to two people (economy class) and accommodation costs for up to 1,200,000 KRW(up to 200,000 KRW per day/per person), logistical services of a domestic location coordinator, and a rental car or money equivalent thereto for 3 days.

#### Seoul Screenplay Development

The program assists any projects (feature films, documentaries etc.) in development with Seoul as a location; it offers round-trip flight tickets for two (economy class), one work space (hotel or residence selected by SFC) for a maximum of 30 days per project, and location tours as they write and do research for their screenplays.

# 3 Production & Project development funding for domestic filmmakers

## Busan Film Commission

**The New Writers Film Development and Mentoring Fund** supports projects by young creators based in Busan. This fund is for feature films, TV or web series in the development stage and will be granted in two phases (5 million KRW for phase 1 and up to 3 million KRW for phase 2).

**The Feature Film Production Fund** supports projects by Busan-based production companies and directors, as well as directors who have filmed less than 3 feature films in Busan. This fund will grant up to 300 million KRW per project.

**The Feature Documentaries Development and Production Fund** supports projects by Busan-based production companies and directors, as well as those who meet the criteria of activity history set by BFC. This fund will grant up to 6 million KRW for feature-length documentaries in the development stage and up to 60 million KRW for those in the production stage.

**The Web Series Production Fund** supports projects for the web by Busan-based production companies and producers, as well as those who meet the criteria of activity history set by BFC. This fund will be grant up to 100 million KRW as a production cost.

## Cheongju Film Commission

**The Regional Production Fund** supports project by directors based in Cheongju, projects set in Cheongju, and projects in which more than 70% of the scenes are shot in Cheongju. This fund will grant up to 30 million KRW for feature films and up to 10 million KRW for short films.

## Chungnam Film Commission

**The Independent & Art Films Production Fund** supports feature films with a production budget of less than 1 billion KRW and short films with a production budget of less than 50 million KRW in which at least 30% of the scenes are shot in Chungnam. This fund will grant up to 50 million KRW for feature, up to 5 million KRW for shorts.

## Daejeon Film Commission

**The Audio-visual Works Production Fund** supports audio-visual works by creators or production companies based in Daejeon. This fund will grant up to 90 million KRW for feature, and up to 10 million KRW for shorts.

## Gangwon Film Commission

**The Audio-visual Works Creation Fund** supports short and feature-length projects by directors or producers based in Gangwon and original web contents by Gangwon residents who are social creators having more than 1,000 subscribers. This fund will grant up to 80 million KRW for feature, up to 10 million KRW for shorts, and up to 5 million KRW for web contents.

## Gwangju Information & Content Agency

**The Storytelling Development Fund** supports up to 20 million KRW for writers having a synopsis exclusively for OTT platforms(no regional restrictions)

**The Production Fund for OTT Platform Content** supports production costs for series, movies, entertainment shows, documentaries etc, up to 110 million KRW for series and up to 20 million KRW for single episode projects

**The Regional Production Fund** supports feature/short films by Gwangju-based directors or producers. This fund will grant 50 million KRW for Gwangju-branded feature films, 45 million KRW for independent feature films and 13 million KRW for independent short films.

**The Virtual Production Fund** supports up to 100 million KRW for production and up to 50 million KRW for screenplay development of virtual production contents.

## Gyeonggi Content Agency

**K-Content Development Fund** supports the development of small and medium budget feature films and TV(web) series by production companies base in Gyeonggi.

**The Diversity Film Production Fund** supports up to 150 million KRW for feature films and documentaries with a production budget of less than 1 billion KRW limited to production companies based in Gyeonggi.

## Gyeongnam Culture and Arts Foundation

**The Production Fund for Independent Films** supports feature/shorts films and documentaries in which more than 30% of the scenes are shot in Gyeongnam. Regional production companies or directors with film-related experiences who have resided in Gyeongnam over a year are eligible to apply.

## Incheon Film Commission

**The Development Fund** supports non-regional creators who are staying in Incheon to develop projects (feature films, TV or web series, documentaries) that are set in Incheon. Up to 2 million KRW will be granted.

**The Killer Contents Production Fund** supports projects for which investment and distribution have already been confirmed. This fund is for feature films, TV series, documentaries and short-form web content. The following conditions must be met for eligibility: Incheon must be the backdrop of a major scene, which can then be used for tourism resource development and city marketing. The amount of support will be determined by a review committee.

For more information, please refer to the contact on the back cover.
